Each player earns points (chess + BAR) towards the overall standings. In a Saturday tournament, a player can earn up to 7 chess points and 7 BAR points. In a Sunday tournament, a player can earn 7 chess points and 4 BAR points. There are 13 tournaments in total. A player's best 10 tournaments count towards the standings.

Mystery Box

After the tournament, each player may try their luck by drawing from the Mystery Box. It contains various benefits, such as ‘Bonus +1 chess point’, ‘1 free beer’, and similar rewards. A player may draw at most twice in a given tournament. Bonus points, whether chess or BAR, are added to the overall standings and do not affect the results of that round. Each draw costs €3.
